Mr. Gregor,

As superintendent of the Espanola Public Schools, I am writing to advise you that your employment as a certified employee with the District will not be renewed for the 2010-2011 school year, and therefore your employment will be terminated effective at the end of your current contract. This notice is served pursuant to NMSA 1978, Section 22-10A-22 and 24.

You may request an opportunity to appeal this decision and make a statement to the Board on the decision to terminate you by submitting a written request to me within five working days from the date this notice of termination is served upon you. You may also request in writing the reasons for the action to terminate you. Within five working days from the date that I receive your written request for a meeting with the Board and the request for a statement of reasons, I will provide you with written reasons for your termination. The reasons given shall not be publicly disclosed either by my office or the Board of Education.

If after receiving those reasons, if you submit a written contention addressed to my office that you were terminated without just cause, your request for a meeting and opportunity to make a statement to the Board of Education shall be granted. Your written contention must specify the grounds on which you contend that the decision was without just cause and shall include a statement of facts that you believe support your contention.

This written statement of contentions must be submitted within **ten working days** from the date you receive the written reasons for termination from me. The submission of your contentions and statement of facts constitutes a representation on your part that you can support your contentions and an acknowledgment that I (or my representative) may offer the causes for the Board's decision and any relevant data in rebuttal to your contentions.

The Board shall meet to hear your statement in no less than five nor more than fifteen working days from the date that I receive your statement. The meeting will be conducted

informally in accordance with the Open Meetings Act. You may be accompanied by a person of your choice.

At such meeting, I (or my representative) will first present the factual basis for my determination that just cause exists for your termination, limited to those reasons provided to you in the statement of reasons described above. You will then present your contentions, limited to the grounds specified in your written contentions as described above. I (or my representative) may offer such rebuttal testimony as I deem relevant. All witnesses may be questioned by the Board, by you or your representative, or by me or my representative.

The Board will consider only such evidence as is presented at the hearing and need consider only such evidence as it deems reliable. No record will be made of this proceeding. The Board of Education shall provide notice of its decision in writing within five working days from the conclusion of the meeting.

Should you be aggrieved by the decision on the Board rendered as described above, you may request an appeal to an independent arbitrator by submitting a written request for such appeal to me within five working days from the receipt of the Board's decision. Please consult NMSA 1978, § 22-10A-25 for the requirements for requesting and procedures applicable to such an appeal to an independent arbitrator.
